## ACROSS ALL LOCATIONS

### CONGRATULATIONS

To Amara Duru who will be singing on the TV 1 Good Morning show. I am sure you will remember Amara who sings regularly for us, her voice is exceptional. The competition she has entered is 'Find a star' and her video will be shown Monday 15 August at 9:10am. We encourage you to help her get through to the next stage by voting for her.

### FACE SAVERS

Saying "No" to alcohol or drugs doesn't have to be stressful or embarrassing for your teen if an enlightened parent (that's you!) has done a bit of groundwork. Before they start going to parties, talk to your teenagers about the 'face-saver', a pre-prepared way to back out of an unwanted offer. Lines like "Mum always checks my breath when I get home - she'll kill me if I drink/smoke" can give your teen the 'out' they need in a pressured situation. Having to stay fit for sports, or a family event the next day, can also be pulled out if needed. Let them know that, for once, you're happy to be labelled the bad guy! *Thanks to Parents inc.*
