## *Hey Ladies,*

Recently while on a flight I sat next to girl in her twenties. As we began to chat I found she had lots of questions about the reality of God. I spent most of the flight working through her questions, and sharing how amazing it was having God in my life. It was so exciting to be able to confidently answer her questions and bring a relevant perspective on what life can be like with God. At Elim we are about Reaching, Serving and Influencing - our marriages, families, communities and the people we each meet along the way! We would love you to join with us as we come together to encourage and challenge one another to live the kind of life that pleases Him. Believing in you,

*Blessings Liz*
